ممبر/ نان ایگزیکٹو ڈائریکٹر	مسٹر محمد فہیم قریشی
ممبر/ ایگزیکٹو ڈائریکٹر	مسٹر سید جاوید علی
سیکرٹری	مسٹر محمد شیراز

- بورڈ کی تبدیلی

سال کے دوران، عارضی خالی آسامیوں کو پر کرنے کے لئے نئے ڈائریکٹروں کی تقرری کی گئی تھی۔

محترمہ مہرین گل حسن، مس عزت علی اور جناب نذیر اختر نے استعفیٰ دے دیا اور محترمہ جویریہ ملک، محترمہ ثنا ملک اور عمران زاہد کو 10 اپریل 2023 کو مقرر کیا گیا۔

جناب جاوید ظہور، محترمہ رابی ظہور، جناب محمد خان اور جناب تنویر احمد نے استعفیٰ دے دیا اور جناب جواد علی، جناب محمد شیراز، جناب محمد فہیم اور مسز عنرا پروین کو 15 جون، 2023 کو مقرر کیا گیا۔

آپریشنز

گزشتہ برسوں میں، کمپنی نے ایک اہم تبدیلی کی ہے۔ آپریشنل سرگرمیاں پہلے ہی بند کردی گئی تھیں اور فیکٹری کی زمین اور کمپنی کی عمارت سمیت تمام آپریشنل اثاثے گزشتہ سال فروخت کر دیئے گئے تھے۔ یہ اقدام مختلف عوامل کے سنگم کی وجہ سے کیا گیا تھا، جس میں چینلجنگ معاشی حالات اور مارکیٹ کی بدلتی ہوئی حرکیات شامل ہیں۔

مستقبل کا نقطہ نظر

ہمیں آپ کو یہ بتاتے ہوئے خوشی ہو رہی ہے کہ ZHCMS لاہور ہائی کورٹ، لاہور میں انتظامات کی ایک اسکیم کو بھرنے کے ذریعے ممکنہ خریدار میسرز ITANZ ٹیکنالوجی (پرائیویٹ) لمیٹڈ کے ساتھ کاروباری حصول / انضمام کے جدید مذاکراتی مراحل میں ہے۔ فی الحال کمپنی کی انتظامیہ اکاؤنٹنگ ماہرین اور قانونی مشیر کے ساتھ مل کر کام کر رہی ہے تاکہ اس عمل کو تیزی سے مکمل کیا جاسکے۔ ہم توقع کر رہے ہیں کہ اس حصول / انضمام کی تکمیل کے بعد ZHCM کی ڈیفالٹر کاؤنٹر سے PSX کمپنی لسٹنگ کے ریگولر کاؤنٹر میں کامیاب منتقلی ہوگی۔

آڈیٹرز:

کمپنی کے موجودہ آڈیٹرز نے 30 جون 2023 کو ختم ہونے والے سال کا سالانہ آڈٹ مکمل کر لیا ہے اور وہ ریٹائر ہونے والے ہیں اور اہل ہونے کی وجہ سے 30 جون 2024 کو ختم ہونے والے سال کے لئے دوبارہ تقرری کے لئے خود کو پیش کیا ہے۔ آڈٹ کمیٹی نے موجودہ آڈیٹرز کی دوبارہ تقرری کی سفارش کی ہے۔

آڈیٹرز کے مشاہدات کا جواب

آڈیٹر دانشمندانہ بنیادوں پر، تاریخی اعداد و شمار کی بنیاد پر، کمپنی کو غیر فعال تشویش سمجھتا ہے۔ تاہم مالیاتی گوشوارے تشویش کی بنیاد پر تیار کیے گئے ہیں کیونکہ کمپنی کو توقع ہے کہ وہ انتظامات کی اسکیم دائر کرے گی جس کے بعد کمپنی کے آپریشنز بحال ہوجائیں گے اور اس طرح کمپنی مستقبل میں تشویش کا شکار ہوگی۔

کارپوریٹ گورننس

ZHCM کے بورڈ آف ڈائریکٹرز اور اس کی انتظامیہ کوڈ آف کارپوریٹ گورننس میں وضع کردہ اپنی ذمہ داریوں سے مکمل طور پر آگاہ ہیں جیسا کہ SECP کی جانب سے جاری کردہ اسٹاک ایکسچینجز کے لسٹنگ ریگولیشنز میں شامل کیا گیا ہے۔

کوڈ آف کارپوریٹ گورننس کی تعمیل میں، ڈائریکٹرز کو یہ بتاتے ہوئے خوشی ہے کہ:

1. کمپنی کی انتظامیہ کی طرف سے تیار کردہ مالی بیانات، سوائے آڈیٹرز کی رپورٹ میں رپورٹ کردہ، اس کے معاملات، اس کے آپریشنز کے نتائج، نقد بہاؤ اور ایکویٹی میں تبدیلیوں کو منصفانہ طور پر پیش کرتے ہیں۔
2. کمپنی نے آڈیٹرز کی رپورٹ میں رپورٹ کے علاوہ اکاؤنٹ کی مناسب کتابوں کو برقرار رکھا ہے۔
3. مالی بیانات کی تیاری میں مناسب اکاؤنٹنگ پالیسیوں کو مستقل طور پر لاگو کیا گیا ہے اور اکاؤنٹنگ کے تخمینے معقول اور دانشمندانہ فیصلے پر مبنی ہیں۔
4. مالی گوشواروں کی تیاری میں آڈیٹرز کی رپورٹ کے علاوہ بین الاقوامی مالیاتی رپورٹنگ اسٹینڈرڈز پر عمل کیا گیا ہے، جیسا کہ پاکستان میں لاگو ہوتا ہے۔
5. اندرونی کنٹرول کا نظام ڈیزائن میں مضبوط ہے اور مؤثر طریقے سے نافذ اور نگرانی کی گئی ہے۔
6. جیسے ہی انتظامات کی اسکیم مکمل ہوجائے گی، کمپنی کی اہلیت پر اہم شک دور ہوجائے گا۔
7. ٹیکسوں، ڈیوٹیوں، لیویز اور چارجز کی مد میں کوئی قانونی ادائیگی واجب الادا نہیں ہے سوائے ان کے جو متعلقہ نوٹوں میں مالیاتی گوشواروں میں ظاہر کیے گئے ہیں۔
8. بورڈ آف ڈائریکٹرز، سی ای او، سی ایف او، کمپنی سیکریٹری، ایگزیکٹوز اور ان کے شریک حیات اور نابالغ بچوں نے سال کے دوران کمپنی کے حصص کا کوئی لین دین نہیں کیا سوائے ان کے جو "پیٹرن آف شینر ہولڈنگ" میں درج ہیں۔

مالی گوشواروں کے نوٹ 19 میں 30 جون 2023 کو ختم ہونے والے سال کے لئے کمپنی کے چیف ایگزیکٹو اور ڈائریکٹرز کا معاوضہ۔

12. حصص کا نمونہ

اس عنوان کے تحت 30 جون 2023 تک کی معلومات منسلک کی گئی ہیں۔

Chairman's Review Report

I am honored to present the Chairman's Review Report for the fiscal year ending on June 30, 2023.

In the past years, our company underwent a significant transformation. We closed our operational activities, divesting fixed assets including factory during last year. This strategic move was prompted by changing market dynamics, paving the way for a fresh direction.

Currently, the company is finalizing the negotiation for a merger with M/s ITANZ Technology (Pvt.) Limited (an IT Company) through a Scheme of Arrangement. This strategic step will redefine our course of operation and unlock new opportunities, ultimately adding substantial value to our shareholders.

The Board of Directors of ZHCM has performed their duties diligently in upholding the best interest of the shareholders of the Company and has managed the affairs of the Company in an effective and efficient manner. The Board has exercised its powers and has performed their duties as stated in the Companies Act, 2017. Their strategic vision, financial stewardship, commitment to maximizing shareholder value, and adherence to governance and compliance standards have been exemplary throughout this transformative period.

As we stand on the threshold of this exciting merger, we extend our gratitude for your continued support. Together, we embark on a new chapter with boundless potential of mutual growth.

Yours Sincerely,

Imran Zaid
Chairman

Independent Auditors' Report
To the members of Zahur Cotton Mills Limited
Report on the Audit of the Financial Statements

Adverse Opinion

We have audited the annexed financial statements of Zahur Cotton Mills Limited (the Company), which comprise the statement of financial position as at June 30, 2023, and the statement of profit or loss account, the statement of comprehensive income / (loss), the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion, because of the significance of the matters discussed in 'Basis for Adverse Opinion' section of our report, and to the best of information and according to the explanation given to us, the statement of financial position, the statement of profit or loss account and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof do not conform with the accounting and reporting standards as applicable in Pakistan and do not give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively do not give a true and fair view of the state of the Company's affairs as at June 30, 2023 and of loss and other comprehensive loss, the changes in equity and its cash flows for the year then ended.

Basis for Adverse Opinion

1. At the reporting date, the Company has accumulated losses of Rs. 137.686 million (June 30, 2022: Rs. 136.940 million) as against issued, subscribed and paid up capital of Rs. 98.60 million (June 30, 2022: Rs. 98.60 million) and as of that date, the Company's current liabilities exceeded its current assets by Rs. 39.154 million (June 30, 2022: Rs. 38.409 million) resulting in liquidity problems. The operations of Company have been ceased due to working capital constraints and unfavorable business conditions therefore fixed assets including factory's land and building was disposed off during the year ended June 30, 2022. The Company has also applied for Voluntarily Delisting from the Pakistan Stock Exchange on May 08, 2017 but decision is still pending. The status of sales tax for the Company has been suspended since December 11, 2014. The acquisition scheme has not been documented and binding. These situations indicate that the Company is no longer a going concern, the financial statements of the Company shall be prepared on a basis other than a going concern. However, the Company has prepared its financial statements on going concern basis. Had these financial statements been prepared on basis other than going concern, many elements in the accompanying financial statements would have been materially affected. The effects on the financial statements have not been determined;

2. The management of Company has approved a plan for disposal of factory including plant and machinery on 09 February 2022 however on that date the company did not apply IFRS-5 "Non-Current Assets held for Sales and Discontinued Operation" and continued to charge during the year ended June 30, 2022 the depreciation of Rs. 1,103,706/- till date of disposal of factory. Had the company applied IFRS-5, for the year ended June 30, 2022, the depreciation of Rs. 1,516,294/- would have been charged, resultantly, net profit after tax would have been decreased by Rs. 222,269/- and transfer to Statement of Comprehensive income would have been increased by Rs. 465,952/- and as of June 30, 2022, the retained loss would have been decreased by 243,683/-.
3. The Company has not charged the audit oversight fee of Rs. 50,000/- per year under Audit Oversight Board (Operation) Regulations, 2018. Had the company charged the fee, for the year, the loss after tax would have been increased by Rs. 50,000 (June 30, 2022: profit after tax would have been decreased by Rs. 50,000) and at the reporting date, the revenue losses would have been increased by Rs. 300,000/- (June 30, 2022: Rs. 250,000) and the related liabilities would have been reported at Rs. 300,000/- (June 30, 2022: Rs. 250,000).
4. Owing to non-appointment of legal advisor under regulations of the Companies (Appointment of Legal Advisers) Act, 1976, we were unable to verify the status and amount of cases, non-compliances of laws or other litigation, if any.
5. We were unable to verify the existence and valuation of trade creditors, advances from customers and accrued liabilities and advances amounting to Rs. 2.788 million, Rs. 1.602 million and Rs. 8.392 million respectively as at June 30, 2023 (June 30, 2022: Rs. 2.788 million, Rs. 1.602 million and Rs. 7.83 million respectively) and the movement therein during the year, appearing in Note 05 to the financial statements, in the absence of direct confirmation and other alternative audit procedures.
6. We were unable to verify the existence and valuation of long-term deposit of Rs. 68,210/-, appearing in Note 09 to the financial statements, in the absence of direct confirmation and other alternative audit procedures.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standard Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Except for the matters described in the Basis for Adverse opinion section, we have determined that there are no other key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report 2023, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Other Information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) except for the matter described in 'Basis for Adverse Opinion' section, proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) because of the matter described in 'Basis for Adverse Opinion' section, the statement of financial position, the statement of profit or loss account and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have not been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are not in agreement with the books of account and returns;
- c) except for matter described in 'Basis for Adverse Opinion' section, investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

ZAHUR COTTON MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2023

- IFRS 1 (First Time Adoption of International Financial Reporting Standards)
- IFRS 17 (Insurance Contracts)
- IFRIC 12 (Service concession arrangements)

2.5 Standards, amendments to published standards and interpretations that are effective but not relevant

There were certain amendments to accounting and reporting standards which became effective for the Company for the current year. However, these are considered not to be relevant or to have any significant impact on the Company's financial reporting and, therefore, have not been disclosed in these financial statements.

2.6 Significant accounting estimates, judgments and assumptions

The preparation of Financial Statements in conformity with approved accounting standards, as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of policies and the reported amounts of assets, liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The areas involving a high degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements, are documented in the following accounting policies and notes, and relate primarily to:

- Useful lives, residual values and depreciation method of property, plant and equipment - Note 2.7
- Current income tax expense and recognition of deferred tax liability / asset-Note 2.9
- Estimation of provisions - Note 2.18
- Estimation of contingent liabilities - Note 2.23
- Impairment loss of non-financial assets other than inventories - Note 2.24

2.7 Property Plant and Equipment

Initial Recognition

The cost of an item of property, plant and equipment is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the entity and the cost of such item can be measured reliably.

Property, plant and equipment, except freehold land, buildings thereon, plant and machinery and capital work in progress are stated at cost less accumulated depreciation and any identified impairment loss. Freehold land is stated at revalued amount less any identified impairment loss while buildings on freehold land and plant and machinery are stated at revalued amount less accumulated depreciation and any accumulated impairment loss. Revaluation is carried out with sufficient regularity to ensure that the carrying amount of assets does not differ materially from their fair value. Additions, subsequent to revaluation, are stated at cost less accumulated depreciation and any identified impairment loss. Capital work in progress is stated at cost less impairment loss (if any).

The costs of Property, plant and equipment include:

- (a) its purchase price including import duties, non-refundable purchase taxes after deducting trade discounts and rebates; and
- (b) any other costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- (c) cost of borrowing during construction period in respect of loans taken for specific projects.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

ZAHUR COTTON MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2023

Subsequent expenditure

Expenditure incurred to replace a significant component of an item of plant and equipment is capitalized and the asset so replaced is retired. Other subsequent expenditure is capitalized only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the items can be measured reliably. All other expenditure (including repairs and normal maintenance) is recognized in the statement of profit or loss as an expense when it is incurred.

Depreciation

Depreciation on all items except freehold land is charged on straight line method at the rates specified in note 08 to the financial statements and is recognized in the statement of profit or loss so as to write off the cost or revalued amount of an asset over its estimated useful life.

Revaluation Surplus

Revaluation of freehold Land, Building on freehold land and Plant and Machinery is carried out with sufficient regularity to ensure that the carrying amount of assets does not differ materially from the fair value. Any revaluation increase in the carrying amount of Land, Building and Plant and Machinery is recognized in statement of other comprehensive income and presented as a separate component of equity as "Revaluation surplus on property, plant and equipment" except to the extent that it reverses a revaluation decrease/deficit for the same asset previously recognized in statement of profit or loss account, in which case the increase is first recognized in statement of profit or loss account to the extent of the decrease previously charged. Any decreases that reverse previous increases of the same asset are first recognized in other comprehensive income to the extent of the remaining surplus attributable to the asset, all other decreases are charged to statement of profit or loss account. The revaluation reserve is not available for distribution to the Company's shareholders. Each year, the difference between depreciation based on the revalued carrying amount of the asset charged to statement of profit or loss account and depreciation based on the asset's original cost, net of tax, is reclassified from revaluation surplus to retained earnings. Depreciation on additions is charged from the month in which the assets are available for use while no depreciation is charged in the month in which the assets are disposed off. Depreciation method, residual value and useful lives of assets are reviewed at least at each reporting date and adjusted if impact on depreciation is significant.

Gains and losses on disposal

Gains and losses on disposal of assets are taken to the statement of profit or loss, and the related revaluation surplus on property, plant and equipment, if any, is transferred directly to retained earnings.

Capital work-in-progress

Capital work-in-progress is stated at cost less identified impairment loss, if any. It consists of all expenditure and advances connected with specific assets incurred and made during installation and construction period. These are transferred to relevant property, plant and equipment as and when assets are available for use.

2.8 Trade debts and other receivable

Trade debts and other receivables represent the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

2.9 Taxation

Income tax expense comprises of current and deferred tax. It is recognized in the statement of profit or loss except to the extent that it relates to items recognized in other comprehensive income, in which case it is recognized in equity.

Current tax

Provision for current taxation is the amount computed on taxable income at the current rates of taxation or alternative corporate tax computed on accounting income or minimum tax on turnover, whichever is higher, and taxes paid/payable on final tax basis, after taking into account tax credit available, if any.

Deferred tax

Deferred tax is provided in full using the statement of financial position liability method on all temporary differences arising at the statement of financial position date, between the tax bases of the assets and the liabilities and their carrying amounts. Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available against which these can be utilized.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse, based on tax rates that have been enacted or substantively enacted by the statement of financial position date. In this regard, the effects on deferred taxation of the portion of income expected to be subject to final tax regime is adjusted in accordance with the requirement of Accounting Technical Release - 27 of the Institute of Chartered Accountants of Pakistan.

Judgment and estimates

Significant judgment is required in determining the income tax expenses and corresponding provision for tax. There are many transactions and calculations for which the ultimate tax determination is uncertain as these matters are being contested at various legal forums. The Company recognizes liabilities for anticipated tax issues based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the current and deferred tax assets and liabilities in the period in which such determination is made.

2.10 Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose statement of cash flow, cash and cash equivalents comprise cash in hand and balances with bank current, saving and deposits account.

2.11 Borrowing costs

Borrowings are recognized as an expense in the period in which they are incurred except where such costs are directly attributable to the acquisition, construction, production of a qualifying asset, in which case such costs are capitalized as part of the cost of the asset.

2.12 Trade and other payables

Liabilities for trade and other payables are carried at their amortized cost, which is approximately fair value of the consideration to be paid in future for goods and services received, whether or not billed to the Company.

2.13 Revenue recognition

Revenue from the sale of goods is recognized upon the transfer of control of the goods to the buyer when performance obligation is satisfied.

Interest income is recognized on a time proportion basis on the principal amount outstanding and at the applicable rate.

2.14 Financial instruments - initial recognition & subsequent measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2.14.1 Financial assets - initial recognition

All financial assets are recognized at the time when the Company becomes a party to the contractual provisions of the instrument. Regular purchases and sales of financial assets are recognized and derecognized, as applicable, using trade-date accounting or settlement date accounting as specified in relevant note.

ZAHUR COTTON MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2023

Except for trade receivables, financial assets are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognized at fair value and transaction costs are expensed in the statement of profit or loss. Dividend income from financial assets at fair value through profit or loss is recognized in the statement of profit or loss when the Company's right to receive payments is established. Trade receivables are initially measured at the transaction price if these do not contain a significant financing component in accordance with IFRS 15. Where the Company uses settlement date accounting for an asset that is subsequently measured at amortized cost.

Financial assets - subsequent measurement

For the purpose of measuring financial assets after initial recognition, these are classified into the following categories:

- financial assets at amortized cost,
- financial assets at fair value through other comprehensive income; and
- financial assets at fair value through profit or loss.

Financial assets carried at amortized cost are subsequently measured using the effective interest method.

Financial assets 'at fair value through other comprehensive income' are marked to market using the closing market rates and are carried in the statement of financial position at fair value. Net gains and losses arising on changes in fair values of these financial assets are recognized in other comprehensive income.

Financial assets 'at fair value through profit or loss' are marked to market using the closing market rates and are carried in the statement of financial position at fair value. Net gains and losses arising on changes in fair values of these financial assets are taken to the statement of profit or loss in the period in which these arise.

Fair values of quoted investments are based on current prices. If the market for a financial asset is not active (and for unlisted securities), the Company measures the investments at cost less impairment in value, if any.

The classification is based on the Company's business model for managing the financial assets and the contractual cash flow characteristics of the financial asset. The management determines the classification of its financial assets at the time of initial recognition.

a) Financial assets at amortized cost

A financial asset is measured at amortized cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income

A financial asset is measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss

A financial asset is measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income. However, the Company can make an irrevocable election at initial recognition for particular investments in equity instruments that would otherwise be measured at fair value through profit or loss to present subsequent changes in fair value in other comprehensive income unless these are held for trading in which case these have to be measured at fair value through profit or loss. The equity investments of the Company held in short term investments are classified as fair value through profit or loss because they are frequently traded.

Financial assets - Derecognition

Financial assets are derecognized when:

- the contractual rights to receive cash flows from the assets have expired; or
- the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement, and either:

Impairment of financial assets

The Company directly reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof.

The Company measures, at each reporting date, the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. Where the credit risk on a financial instrument has not increased significantly since the initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. The Company always measures the loss allowance at an amount equal to lifetime expected credit losses for trade receivables or contract assets that result from transactions under IFRS 15 and lease receivables.

The Company recognizes the amount of expected credit losses (or reversal), that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized, in the statement of profit or loss.

2.14.2 Financial liabilities - initial recognition and measurement

All financial liabilities are recognized at the time when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities are initially recognized at fair value minus transaction costs for all financial liabilities not carried at fair value through profit or loss. Financial liabilities carried at fair value through profit or loss are initially recognized at fair value and transaction costs are credited in the statement of profit or loss.

Financial liabilities - subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Such liabilities, including derivatives that are liabilities, are subsequently measured at fair value. Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

All other liabilities

All other financial liabilities are measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit or loss.

Financial liabilities - Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expired. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability and the difference in respective carrying amounts is recognized in the statement of profit or loss. The difference between the carrying amount of a financial liability extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in statement of profit or loss.

ZAHUR COTTON MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2023

2.15 Offsetting of financial assets and liabilities

Financial assets and liabilities are offset and net amount is reported in the financial statements only when there is a legally enforceable right to set off the recognized amount and the Company intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.16 Foreign currency transactions

Transactions in foreign currencies other than Pak rupee are recorded at the rate of exchange prevailing on the transaction date. All monetary assets and liabilities in foreign currencies are translated at exchange rate prevailing on the statement of financial position date. Gains and losses arising on retranslation are included in the statement of profit or loss for the year, if any.

2.17 Functional and presentation currency

These financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency. All financial information presented in Pak Rupees has been rounded to the nearest Rupee unless otherwise stated.

2.18 Provisions

Provisions are recognized when the Company has a legal or constructive obligation as a result of past events, it is probable that an out flow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each the statement of financial position date and adjusted to reflect the current best estimate.

2.19 Long term deposits

Long term deposits are stated at cost less impairment, if any.

2.20 Earning per share

The Company presents earnings/(loss) per share (EPS) data for its ordinary shares. This is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year.

2.21 Dividend

Dividend and appropriation to reserves are recognized as a liability in the financial statements in the year in which these are approved.

2.22 Related party transactions

The Company enters into transactions with related parties on an arm's length basis except in circumstances where, subject to approval of the Board of Directors, it is in the interest of the Company to do so.

2.23 Contingent liabilities

A contingent liability is disclosed when:

- there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence and non occurrence of one or more uncertain future events not wholly within the control of the company.
- there is present obligation that arises from past events but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

ZAHUR COTTON MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2023

2.24 Impairment of Non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. The recoverable amount of an asset is the greater of its value in use and its fair value less costs to sell. Value in use based on the estimated future cash flow, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss is recognized if the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognized in statement of profit or loss. They are allocated to reduce the carrying amounts of the assets.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

- 2.25 During the year under consideration, the management of the Company presented certain policies in better form as compare to previous year.

(b) Credit risk

Credit risk represents the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation without taking into account the fair value of any collateral. Carrying amounts of financial assets represent the maximum credit exposure.

i) Credit risk exposure and concentration of credit risk

Concentration of credit risk arises when a number of counter parties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations of credit risk indicate the relative sensitivity of the Company's performance to developments affecting a particular industry. The Company does not have any exposure to customers. Credit risk of the Company arises from deposits with banks and deposits. The management assesses the credit quality of the customers, taking into account their financial position, past experience and other factors.

The utilization of credit limits is regularly monitored. However, the Company has no credit risk from customers because there is no trade receivable. For banks and financial institutions, only independently rated parties with a strong credit rating are accepted. The Company monitors the credit quality of its financial assets with reference to historical performance of such assets and available external credit ratings, if any.
